

Technical Meeting – Answers to Written Questions

NPC Belgium	
Question	Until when are the wheelers allowed on the track to adjust their compensator? Until 15 minutes before the start of the first track event, or until 15 minutes before the start of the first field event. Is this possible both in the morning and in the afternoon?
Answer	The track will be open for warm up until up to 10 minutes before the start of the track competition. It is possible in the morning and in the afternoon. The speaker will announce the opening and the closing of the track.
Question	Is a warm up lap autorised before the races (100, 200, 400)?
Answer	Yes, there is time for a warm-up round.

NPC Bulgaria	
Question	We have an athlete entered as NEW in T46 in 200 and 400 m. She was classified yesterday in T47 and we don't see T47 in 400 m. Can you please add this class to 400 m on 22nd at 11:56 so that she can compete?
Answer	Yes, the athlete can compete. We have made the necessary adjustments based on the classification outcomes.

NPC USA	
Question	What are the implement check in times for competition?
Answer	Personal implements (max. two) must be delivered at the implement check (at the implement control, map no. 19) at least 90 minutes before the event.

NPC Spain	
Question	The Men's high jump isn't listed on the competition schedule. Is that a mistake?
Answer	The Men's high jump will take place on Friday at 09:15 am.
